(DEADLINE FOR JULY 2022 EDITION: WEDNESDAY, JUNE 22ND)

Happy Faces All Around!!

Miramichi Valley Christian Academy would like to say, "Thank-you" to our community for all your help and support through our many fundraisers over the past two years. With your generous giving, MVCA was able to purchase our new playground equipment. The kids have been having so much fun with these new sets and they are so grateful to have them. We are truly blessed to live in a community that comes together to help one another in so many ways.

With much appreciation,
Miramichi Valley Christian Academy (MVCA)

Testimonial

My support in the up-coming by-election will be behind the candidate who has proven that she is ready and able to represent our region in Fredericton.

Hannah Fulton Johnston is definitely not afraid of hard work, just ask everyone who knows her, she will be an exceptional MLA!

-Rick Brewer-
Former MLA for
Southwest Miramichi

**I'm voting for Hannah,
and I think you
should too!**

GLENNA LORRAINE (GILKS) GASTON
July 12, 1939 – February 15, 2022

Words cannot express the gratitude for the overwhelming love and support we received. We extend our deep appreciation to all who sent cards, messages, flowers, phone calls, supplied food or sent donations to the Self Help organization.

We especially want to thank Dr. Chow of Doaktown and the nurses and doctors at 2W Miramichi Regional Hospital who provided wonderful care. Thank you to Father Neil for your numerous visits to our home – Glenna looked forward to them all.

Davidson’s Funeral Home provided excellent service to our family – your support and kindness was much appreciated during our time of need.

**ATTENTION WOODLOT OWNERS
(BOIESTOWN – BLISSFIELD)**

There will be a woodlot owners meeting for Districts 6, 7 and 8 on **Tuesday, June 7 at 7:00 pm** at the McNamee Rec Centre.

Included on the agenda will be an election for a new Director for District 6 (Blissfield-Doaktown) as the current Director, Dale Brennan, is retiring.

All woodlot owners welcome!

My name is Katelyn, and I am a part-time Occupational Therapist working at the Central Miramichi Community Health Center in Doaktown. I wanted to explain my role here, and the types of services that I will be able to provide.

The purpose of OT services is to enable people to be as independent and safe as possible during every-day activities. Life is made up of meaningful every-day activities or occupations such as walking the dog, gardening, preparing a meal, and bathing. The goal is for people to be able to take care of themselves (self-care), and to engage both in productive activities and leisure (the activities we do for fun). The occupational therapist assesses the impact of physical, mental, emotional, and developmental issues on a person's ability to engage in self-care, productivity, and social/leisure activities. Priorities for treatment are identified through collaboration with the client and their treatment team. The aim of treatment is to build on strengths, overcome barriers and enhance people's satisfaction with participation in their daily living activities.

Examples of outpatient OT interventions include but are not limited to:

- **Prescribing:** assistive aids such as dressing aids, raised toilet seats, bath seats, etc.
- **Educating:** joint protection, energy conservation, fall prevention, sleep hygiene.
- **Education:** basic meal planning/preparation, independent living skills, home safety.
- **Referring clients to other agencies and services.**
- **Upper extremity splinting.**
- **Adapting regularly used items so that clients can be independent in their use (e.g. making handles of utensils bigger so that someone with pain in their fingers can hold and use them).**
Providing strategies that a person with memory/cognitive challenges problems could use to help them complete activities.

If you have any questions regarding OT services at the CMCHC, please don't hesitate to contact me at 365-6100. You can also talk to your primary health care provider about OT services or call and self-refer (you do not need a referral from your health care provider to access Occupational Therapy services).

~ Katelyn Belknap

Doaktown has been my home for the past 14 years, along with my husband and our two amazing daughters. I believe in hard work, commitment, and a positive attitude.

We need a strong voice to ensure equal access to quality education for our children, proper mental health supports, safe and affordable housing, timely access to quality health care, and economic opportunities within our rural communities. I want to be that strong voice to move our riding forward.

I will listen, work hard, and be accessible to everyone in this riding. With 20 years of experience working in federal, provincial, and municipal politics, I have a unique understanding of the inner workings of government and what it takes to get results.

It would be an honour to represent you, and Southwest Miramichi-Bay du Vin. I humbly ask for your support in the by-election on June 20th.

“Know Where You Stand”

Feel the need to get outdoors, get your hands dirty, and grow something wonderful??

The Doaktown Community Garden -- in conjunction with the Doak Provincial Heritage Site -- suggest that it's time to start thinking about gardening. Be it vegetables or flowers, we have the raised beds (and all the materials you'll need) to get you started -- all YOU need to do is a bit of regular weeding and watering, then sit back and watch things burst into life.

We have 30 raised beds available and we can provide the soil, fertilizer, watering cans, and hoses. Thanks to our friends at *Joey's Independent Grocer*, we even have seeds -- vegetables (think cucumber, tomatoes, carrots, lettuce, onions, peppers, and peas), herbs and even sunflower and wild flower seeds. Rentals are only \$10 per bed but we will require you to keep your bed and the ground around it neat and tidy (waste containers for weeds and other debris will be provided).

The Doaktown Community Garden is located on the grounds of the Doak Provincial Heritage Site at 386 Main Street, Doaktown. In the weeks leading up to the Doak Site's official opening in early July, you can call **Brenda Munn (365-5554)** or **Anna Mae Basque (365-0083)** for further information and/or to make your rental arrangements.

MSA CONSERVATION

MIRAMICHI SALMON ASSOCIATION
Leading River Conservation Since 1953

10TH ANNUAL FIRST CAST MSA

This is a **FREE** MSA event

Do you love fly fishing and have a child or grandchild with whom you'd like to share the fun and satisfaction of the sport? Have you a friend who has often said, "I'd love to take up fly fishing for Atlantic salmon, but I don't know where to start"? If so, on **Saturday, June 25** and on **Sunday, June 26**, the Miramichi Salmon Association will host its 10th annual *First Cast MSA*, a **free** event for everyone (young and old) who is eager to learn about the sport of fly fishing for Atlantic salmon. This is an excellent opportunity for a "relatively experienced" fisherman to bring along someone who is new to the sport and, with the help of volunteers from the MSA, participate in a two-day mentoring experience guaranteed to be the start of a life-time of fly fishing and a new appreciation for our natural environment where our cherished Atlantic salmon roam.

Saturday's activities will take place at the Atlantic Salmon Museum in Doaktown and will include a casual classroom session, a tour of the Museum, and riverside casting instruction. On Sunday, there will be a full day of supervised fishing at a private camp on the Miramichi. All graduates of *First Cast MSA* will receive a complementary one-year membership to the Miramichi Salmon Association.

Registration is free but space is limited so we ask that arrangements be made no later than Friday, June 10th. Note: There is no need to have your own equipment, as MSA offers the use of theirs for this program. To register, please contact the MSA Office at **506-622-4000** or at admin@miramichisalmon.ca.

Testimonial

Having known Hannah Fulton Johnston and her father before her for many years, I have no hesitation in supporting her becoming our MLA in the upcoming by-election.

Her father was heavily involved in bringing us equal opportunity that gave rural New Brunswick access to better health care, education, fairer taxes, and better highways leading to a much better quality of life. Hannah has the same determination as her father to improve our lives in Southwest Miramichi-Bay du Vin and New Brunswick.

These are tough times with Covid, inflation, and the Ukrainian war making things worse. With her strong voice, and willing hands supported by twenty years experience with three levels of government, it is time to elect Hannah Fulton Johnston - she will help us through.

I am pleased she has offered as a candidate in our June 20th by-election and believe she will prove a positive force for Southwest Miramichi-Bay du Vin. We need willing leaders like Hannah. I respectfully ask you to give her your support.

"Kindness... what a simple way to tell another struggling soul that there is love to be found in the world." (A.A. Malee).

During the sudden loss of our precious loved one, **Mona Long**, our family was surrounded by love and kindness. Expressions of this through prayers, words, thoughts, phone calls, visits, cards, texts, messages, food and flowers were so greatly appreciated. We were overwhelmed with the sincere gestures offered to us during this difficult time. The power of you reaching out to us in our time of need provided such healing for our grieving souls. We truly are grateful for every act of sympathy, kindness and generosity shown to us and will treasure these in our hearts.
