Here is what American comic Jeff Foxworthy has to say about Canadians:

If someone in a Home Depot store offers you assistance and they don't work there, You may live in Canada.

If you've had a lengthy telephone conversation with someone who dialed a wrong number, You may live in Canada.

If you know several people who have hit a deer more than once, You may live in Canada.

If you can drive 90 km/hr through 2 feet of snow during a raging blizzard without flinching, You may live in Canada.

If you install security lights on your house and garage, but leave both of them unlocked, You may live in Canada.

If driving is better in the winter because the potholes are filled with snow, You may live in Canada.

If you know all 4 seasons: Almost winter, winter, still winter, and road construction, You may live in Canada.

If you actually understand these jokes, and forward them to all your friends, you definitely are Canadian and proud to be one.

Landmark Lodge #51 was delighted to present Brother William ("Bill") Mitchell of Doaktown with his 60 year membership award. Shown at the ceremony (held on Tuesday, April 19) are (L-R) Worshipful Master Wayne Fowler, Brother Bill Mitchell and Most Worshipful Grand Master Tom Borthwick.

“Know Where You Stand”

The Doaktown Community Garden -- in conjunction with the **Doak Provincial Heritage Site** -- suggest that it's time to start thinking about gardening. Be it vegetables or flowers, we have the raised beds (and all the materials you'll need) to get you started -- all YOU need to do is a bit of regular weeding and watering, then sit back and watch things burst into life.

There are 30 raised beds available and we can provide the soil, fertilizer, watering cans, and hoses. Thanks to our friends at *Joey's Independent Grocer*, we even have seeds -- vegetables (think cucumber, tomatoes, carrots, lettuce, onions,

peppers, and peas), herbs and even sunflower and wild flower seeds. Rentals are only \$10 per bed but we will need you to keep your bed and the ground around it neat and tidy (waste containers for weeds and other debris will be provided).

The Doaktown Community Garden is located on the grounds of the Doak Provincial Heritage Site at 386 Main Street, Doaktown. In the weeks leading up to the Doak Site's official opening in early July, you can call **Brenda Munn (365-5554)** or **Anna Mae Basque (365-0083)** for further information and/or to make your rental arrangements.

LAURA O'DONNELL

March 7, 1923 - April 25, 2015

*An angel lived among us,
A gift from God above.*

*She showered us with kindness
And shared with us her love.*

*She cherished every moment
With the man who was her life;
Walking hand in hand together,
Facing life with all its strife.*

*She loved her children dearly,
Each one a different way,
Nestled close within her heart.*

*Though, now, she's far away.
She's gone to live with Jesus,
But she's here with us today,
Smiling down on every one of us,
And telling us she's O.K.*

In Loving Memory of My Husband
MASON BROWN
Who Passed Away on May 4, 2008

*I thought of you with love today
But that is nothing new;
I thought about you yesterday
And days before that too.*

*I think of you in silence
And often speak your name;
All I have are good memories
And your picture in a frame.
Your memory is my keepsake
With which I'll never part;
God has you in His keeping,
I have you in my heart.*

I love you with all my heart!

**DONALD "DON"
MURRAY MOREHOUSE**
March 26, 1931 - March 25,
2022

The family of Don Morehouse would like to announce his peaceful passing on March 25, 2022. Don grew up in a large, loving family in Doaktown, and always had countless exciting stories to tell from his younger years – from working with his father at the local sawmill, and in various logging camps, to witnessing the royal visit of King George as a young boy in 1939. Don moved to Toronto in the 1950's where he married the love of his life, Mary, and began a career with Canadian Tire Corp., but he always held fast to the values and connections from his early life on the Miramichi and was recognized as a man of unusual kindness and integrity by all who knew him. Don is survived by his son, James Morehouse, granddaughter, Andrea Russell (David), sisters, Margaret Field (Bill), and Dolores Jones, his brother, Perley Morehouse (Effie), and sister-in-law, Dody Beek Morehouse, and many adoring nieces, nephews, and cousins. Thank you to everyone for your love and support in recent month! Interment will take place at Mount Pleasant Cemetery in Toronto at a later date.

Thank you

On behalf of the late **ALBERT COLFORD**, we would like to send a sincere thank you to everyone who helped out in any way -- the doctors and nurses at the Miramichi Regional Hospital, to everyone who sent cards, flowers or food, and for all the calls and messages. The service from Davidson Funeral Home was second to none.

Your kindness and support did not go unnoticed in our difficult time!

~ Jody, Sam, Greg, Jr. and Family

MAC O'DONNELL
April 16, 1926 - March 30, 2022

Words cannot express our heartfelt thanks to everyone who supported us during our recent loss. We would like to thank our family members, care givers (Ann, Vera, and Joy), friends, colleagues, and our church family for all their love and support. Whether it was a donation of food, cards, emails, phone calls, memorial donations, a visit to the funeral home or attendance at the family Eucharist or funeral service, we thank you!

Thank you also to Fr. Neil Osiowy and Monte Carr for the lovely service; to the Grandchildren who read (Emily and Brett); to the pallbearers (Brett O'Donnell, Michael Sobey, Gavin Allingham, Rodney Snow, Benji Beek and Art O'Donnell).

A very special thanks to our large extended family from home and away – you are always there when we need you. And finally, thank you to the wonderful health care workers at the DECH. Your kind, compassionate care was greatly appreciated, especially during these trying days of COVID.

~ Donna, Malcolm, Edwin & Families ~

EARL T. COLFORD

Who Passed Away on May 14, 2011

It's been so long since you've been gone but yet it doesn't feel that way. I still miss you every day though things weren't perfect (but no family is)! You were my Dad and I get told how much I look like you, and even though I don't see it, it comforts me.

~ Love, Kim

HAPPY
Mother's Day

MOTHER'S DAY
Sunday, May 8

*No gift is greater,
No treasure held above
The joy that comes from knowing
A mother's endless love.*

*In spite of how it's tested,
It grows from year to year;
Providing strength and comfort,
It gently draws us near.*

*It warms and it protects us,
It guides us from afar;
Shedding light upon us
Like a bright and shining star.*

*And when all things are measured,
Not one shall rise above;
Or be compared in value
To a mother's endless love.*

Doaktown has been my home for the past 14 years, along with my husband and our two amazing daughters. I believe in hard work, commitment, and a positive attitude.

We need a strong voice to ensure equal access to quality education for our children, proper mental health supports, safe and affordable housing, timely access to quality health care, and economic opportunities within our rural communities. I want to be that strong voice to move our riding forward.

I will listen, work hard, and be accessible to everyone in this riding. With 20 years of experience working in federal, provincial, and municipal politics, I have a unique understanding of the inner workings of government and what it takes to get results.

It would be an honour to represent you, and Southwest Miramichi-Bay du Vin. I humbly ask for your support in the by-election on June 20th.

MIRAMICHI SALMON ASSOCIATION
Leading River Conservation Since 1953

10TH ANNUAL FIRST CAST MSA

This is a FREE MSA event

Do you love fly fishing and have a child or grandchild with whom you'd like to share the fun and satisfaction of the sport? Have you a friend who has often said, "I'd love to take up fly fishing for Atlantic salmon, but I don't know where to start"? If so, on **Saturday, June 25** and on **Sunday, June 26**, the Miramichi Salmon Association will host its 10th annual *First Cast MSA*, a **free** event for everyone (young and old) who is eager to learn about the sport of fly fishing for Atlantic salmon. This is an excellent opportunity for a "relatively experienced" fisherman to bring along someone who is new to the sport and, with the help of volunteers from the MSA, participate in a two-day mentoring experience guaranteed to be the start of a life-time of fly fishing and a new appreciation for our natural environment where our cherished Atlantic salmon roam.

Saturday's activities will take place at the Atlantic Salmon Museum in Doaktown and will include a casual classroom session, a tour of the Museum, and riverside casting instruction. On Sunday, there will be a full day of supervised fishing at a private camp on the Miramichi. All graduates of *First Cast MSA* will receive a complementary one-year membership to the Miramichi Salmon Association.

Registration is free but space is limited so we ask that arrangements be made no later than Friday, June 10th. Note: There is no need to have your own equipment, as MSA offers the use of theirs for this program. To register, please contact the MSA Office at **506-622-4000** or at admin@miramichisalmon.ca.
