

# The Doaktown Headwaters

December 2023, Issue No. 02

## Christmas

Here are a few facts about Christmas for you to enjoy.

Many Canadians open their gifts on Christmas Eve, while others choose to unwrap only one gift on this day and open the rest on Christmas Day.

It takes about 15 years to grow the average Christmas tree.

Each year on Christmas Eve, children and adults across the globe visit the official Santa Tracker to see where Santa Claus is delivering gifts.

The company began in 1955 when an American newspaper misprinted the wrong phone number in a 'dial Santa ad'. The number belonged to Colonel Harry Shoup, Director of Operations at the Continental Air Defense Command, causing children to call and ask for Santa Claus.

Shoup told the children he could track Santa's location on his radar, and the tradition was born!

### The Five Gift Rule for Christmas

This is a list to help you make it easy to not get carried away and keep giving under budget.

1. Something they want.
2. Something they need.
3. Something to wear.
4. Something to read.
5. Something they don't know they want.

# Seasons Greeting from Mayor & Councillors

Lorrie and I would like to wish everyone a very Merry Christmas on behalf of the Village of Doaktown. May the season bring peace, love, and a joyous time spent with family, friends, and neighbours. As we enter into the Christmas season, please take the time to contemplate why we celebrate, as a saviour was born on Christmas Day.

A New Year is right around the corner and we as Village Council look forward to the challenges in 2024. There are many and progress would not be possible without the tremendous effort from our excellent staff and many wonderful volunteers!

We hope to celebrate 2024 at our New Year's Levee in partnership with the Royal Canadian Legion Branch 23 on January 1, 2024!

On behalf of Council and staff, have a very Merry Christmas and prosperous New Year.

Mayor Art O'Donnell and Lorrie

Christmas is a time of celebration, "Christ Mass", a celebration of the birth of our saviour. It's a time of Hope, Peace, Joy and Love. So this year, as we celebrate the gift that Christmas brings, let us celebrate with the Hope, Joy, Peace, and love that comes with the season that our Savior brings. Be mindful of the needs of others, the less fortunate. Be kind, giving, compassionate, and helpful. Make many memories. May God's richest blessings be with you all this Christmas season.

Have a Merry Christmas and a safe and prosperous New Year.  
Councillor Beresford Price and Family.

Wishing everyone a Merry Christmas and a safe and prosperous New Year.  
Councillor Jeff Porter and Judy

After the first year as councillor for the Village of Doaktown and councillor in charge of the fire department and EMO, I feel that we are on the road to improving the state of the fire hall. With a little more time and patience, I believe we will have a safe place of work for our volunteer fire fighters. I want to thank every firefighter for their service in protecting the people and property in our village. On that note, we would like to wish everyone a Merry Christmas and prosperous New Year.

With thanks, Councillor Robert Gilks and Michele

At this time may god bless each and every resident. May our dreams and hopes as a community find favour before his eyes.

As we celebrate, let us not forget those who have lost loved ones, those who are sick, less fortunate, those we know and those we do not know. Through our actions as leaders and fellow citizens, they should see the glory of our lord. Merry Christmas to all and a prosperous 2024.  
Deputy Mayor Doreen Parker & family.

I hope the magic of Christmas fills every corner of your heart and your home this holiday season. "May you never be too old to search the skies on Christmas eve". From my family to yours, Have a Blessed Christmas and a prosperous New Year.

Councillor Paige Storey, Jonathan and family

*cheers!*  
**Happy  
New Year**

On behalf of the Royal Canadian Legion Branch #23 and the Village of Doaktown the public is cordially invited to attend our New Year's Levee.

Monday, Jan. 1, 2024

2-6 pm

Doaktown Legion

Music will be provided by Eric Hendricks & Debbie Muck.

The Royal Canadian Legion Branch 23 Doaktown, NB, has recently completed a very successful Remembrance Campaign. This is the result of many volunteers from the Village of Doaktown and surrounding areas. The Branch wishes to thank the many residents and businesses who purchased wreaths, crosses or made donations on behalf of the many veterans of our area. All proceeds of the monies raised through the campaign are held by the local branch in a separate poppy fund for the sole purpose of supporting veterans of the Canadian Armed Forces, Royal Canadian Mounted Police and their families.

Again, thank you to the many volunteers, military, RCMP contingents, donors and the many participants of the Remembrance Day ceremony from the Village of Doaktown and surrounding areas.

Doreen Parker  
President  
Royal Canadian Legion Branch 23  
Doaktown, NB

### Moving Away

Goodbye to our great neighbours  
- J.P. Carrier & Jean Ryan - who  
moved from Blissfield to Eastport,  
Newfoundland. Much love from  
your many friends. You will truly  
be missed.

Dec. 18 - Recycling

Dec. 27 - Garbage

Jan. 2 - Recycling

Jan. 8 - Garbage

Jan. 15 - Recycling

Jan. 22 - Garbage

Jan. 29 - Recycling

Please note that garbage will not be picked up in a blue bin or a painted blue bin

# ATTENTION

## Notice re: Bank Closure

On October the 31, 2023, the Village received notification that our local bank would be closing their doors and relocating their services to 490 King Street in Fredericton, NB. As you can understand, this is very upsetting for the communities. We are growing communities with new expansions on businesses happening daily and yet losing the bank is a big setback for all who rely on that service.

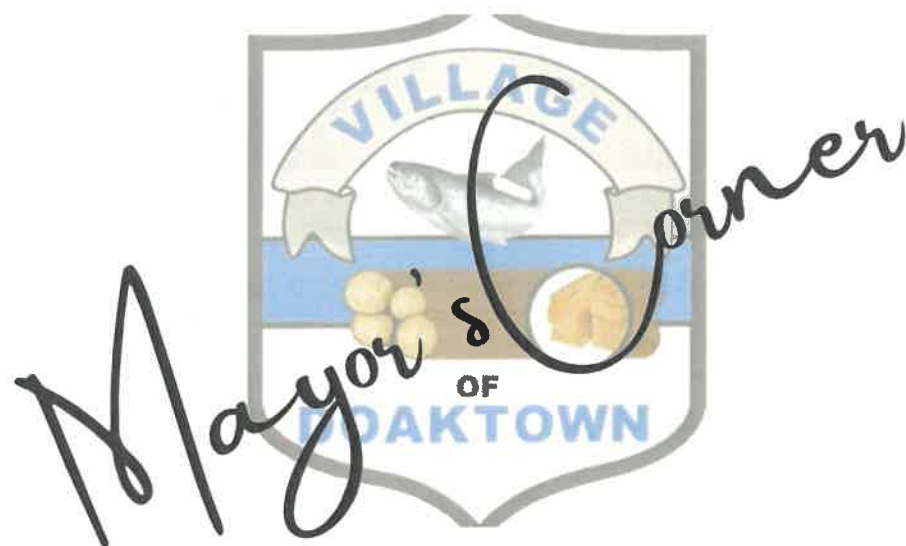

There has been a committee formed to connect with other financial institutions to inquire about serving the banking needs of Doaktown and surrounding communities.

We will be collecting data so we can better prepare information of what our communities needs are. This will be in the form of a survey for residents and businesses of the Doaktown, Boiestown and Blackville areas. When you receive the survey or the link to the survey, please take the time to fill this out and return.

Scotiabank will be opened until June of 2024, but we ask that the public be patient and not move to quickly on your banking changes. Please know that we are being proactive to try and rectify this situation.

If you have any questions, concerns or comments that may assist us, please email Joy Amos at [office@doaktown.ca](mailto:office@doaktown.ca) or call (506) 365-7970 Ext. 3

This month's edition of the Mayor's Corner will deal with the building at 328 Main Street. The Doaktown Fire Hall has been condemned for a portion of the building that previously housed the Call Center; it also provided the Department with a training and administrative area. This area was utilized for the Emergency Measures Organization (EMO), it was the headquarters and communication center in case of any emergency in Doaktown. The only part that remains open is the portion of the building that houses the apparatus, a pumper, tanker, first responder, suburban, and off-road rescue vehicle.

The building has had some issues with the roof over the last few years and the Village has performed its due diligence by having the roof evaluated by Robichaud Roofing Ltd in April 2018. Eastern Roofing was hired by the Village to take action on the required repairs in June 2019 and they were again called out for more work in March 2022. There continued to be more issues and damage was occurring internally, leaking throughout the upstairs rooms and into the municipal garage at the rear of the building.

The damage throughout this period was causing issues that initiated Council and leaders of the Fire Department to call in Public Health and Work Safe to inspect that portion of the building. There was a myriad of issues that had to be rectified to keep it safe enough to enter and then we were hit with COVID. We were unable to enter the building except in emergency situations and the structure continued to regress.

The insurance company employed by VOD, Marsh Canada Limited, was contacted and they brought Claims Pro into the picture to assess the damage. Claims Pro brought in an independent engineering company to determine if a claim was warranted or this damage was due to neglect on part of the Village. Stantec did an inspection of the building in July of this year and submitted a report back to Claims Pro which did not find the Village negligent. Claims Pro decided at this point to have another company, Roof 1 Consultants Ltd, perform another inspection. We are awaiting results as the inspection has been conducted.

The Minister of Local Government met with our MLA (Mike Dawson), Councillor Gilks, and I to discuss what steps can be taken to begin the process of replacing our Hall. It was determined the following actions will be taken immediately. A contractor will be hired to demolish the west end of the building. The area that houses the truck bays will be fixed to temporarily hold the department over until a new facility is designed and built. This process may take up to two years, but we are moving in the right direction. As of print time for this newsletter, council has not received a decision on our claim for the building.

Next month, BUDGET!

**Do you ever wonder why all the small-town banks are closing?  
When will Canada create a Central Bank Digital Currency, CBDC?**

The Bank of Canada has announced that it's exploring the idea of issuing a digital currency and is considering the insights from public consultations on what features could be included in a CBDC. Similar to other central banks worldwide, the bank is studying the viability of a digital currency in Canada. If you are NOT happy with our banks closure you can call the FCAC (Financial Consumer Agency of Canada) at 1-866-461-3222. You can also write your comments in a letter and ask for a Town Hall meeting.

Address your letter to 427 Laurier Ave West, 6th Floor, Ottawa, ON K1R 1B9.

**What makes Christmas special for you?**

Here are some of your responses.

- Town tree lighting with prayers and Christmas carols
- Looking in the sky to see if we can find Santa after listening to the radio telling us where he is in the world. Another is listening to the radio Santa every night! "Santa will try!"
- Christmas eve service at church, Christmas dinner with my mom and siblings. My favourite is Boxing day, I get to spend the day with my children and grandchildren.
- Gathering at mum's with the family and having lunch. Then taking my mom to see all the lights

## Learn a Rhyme, Make a Toy & Play Outside

Looking out the window early in the morning, we all take a quick peek to see what state our world is in as the light of day rises. And yes, again this day, all is reassuringly quiet and peaceful as usual. December is just around the corner as we settle in our prewinter daze. We wonder if winter will be snowy or cold as we recall past winter storms and bad weather systems. We are probably all discreetly worried about changes in the climate and those doomsday tales about nature's possible wrath. But for now all seems all right along the Miramichi river. One has to wonder if things are really changing as we are not all scientists. Would it not be interesting though, to see what is staying the same? What about what is adapting and how it is doing so? One way of doing this with the children is composing a nature calendar on the playroom wall, in a handmade book or a screen visual display to be revisited next year. Go outside and notice what's there. Have discussions with the children about their knowledge and souvenirs. Take pictures or make drawings. Together, let's be comforted with all that is familiar from year to year and from one generation to the other. Learn a rhyme like this one: "I heard autumn singing. A lullay soft and low, as she tucked the flowers and grasses in a cradle of warm and deep. Like a loving nurse and tender, crooning them all to sleep" (L. M. Montgomery). Make wonderful our thoughts about nature.

### Nature's picture calendar

December 2023

1. First snowflakes

2. Rose hips shine red

3. Tips of the cedar tree have grown back.

4. The pond is frozen

5. Yellow needles of the larch trees have fallen off

6. White pine sticking out of the forest

7. The hostas have blanketed their roots with their leaves

8. Chickadees are there

## In Memory of

Wayne - age 11, Tommy - age 6, Carol Ann - age 5,  
Shirley Mae - age 4 and Bonnie Lou - age 2

A chance to say thanks with gift of gratitude.

Sixty one years ago on December 13, 1962, my home in Bettsburg, NB, burned down taking the lives of five of my eight children and babysitter (my youngest sister) with it. Needless to say; I was devastated, on arriving home for lunch on a cold December day to find my home on fire and just two of my young boys outside and the rest of the children trapped inside.

I had no fire insurance as I was just out of ranger school less than a year and was trying to get bills paid up that we had charged while I was in school. I wasn't able to get my children, sister or anything out of the house. I was left with no home, clothes or furnishings whatsoever to put in another one and winter coming on us fast and furious.

I have never been able to thank everyone that helped me. Now, I wish to say thank you to all the people of the community for finding us another house and the many furnishings to live in through the winter, until another could be built, which wouldn't be until the following summer. I also wish to thank everyone who donated money for the new home for us.

A special thanks to Russell & Swim mill crew who donated unselfishly, and the NB Forest Service from all over the province.

A very special thanks to the people of the Village of Doaktown and surrounding areas. Thank you to those who gave from PEI, Nova Scotia, Fredericton, St. John and the many other cities as far away as Maine and New York. This was such a sad and devastating time for me that I wasn't capable of doing what needed to be done, to provide for my little family that was left.

However, the people of the Village started a fund for us and come summer there was enough to buy a new home. So by late summer 1963 we moved into the new home. Still sad from the loss of our children, but so very grateful for all that had been done for us, when I wasn't able to help myself because of the grief.

So to all that helped, and to the families of those who have passed on, who helped me in any way, I want to say thank you from the bottom of my heart.

Ever grateful,  
Glen Parker

In memory of Barry Parker, who  
passed away on December 23, 2022.

You are always on our minds and in  
our hearts.

Our love for you will never die. We  
miss you dearly.

Lovingly remembered by wife Lynne,  
son Rodney, Claire and Benny.

### **Thank You**

Your sincere words of support, actions and meaningful  
gestures have helped bring our family comfort in this most  
difficult time. We are forever blessed with the family and  
friends that surround us with love and the many wonderful  
memories of our cherished Mother, Kay Gillespie.

As we look toward the days ahead we are holding dear  
what lies inside of us.

Please accept our heartfelt thank you.

Shawna, Paula and family
